

Contact a Support Member

If there are any matters that you would like to discuss with a support member please call FREE on 0800 917 3526 or select a name from the contact list.

This list gives the contact numbers for support members. The list is in alphabetical order by District Society. Each entry also shows the town or area that the support member is based in and gives an indication of whether they have a practising or a business background. This is to help you to find a local Support Member or, if you prefer, to identify someone outside your own area.

If you are unsure who to approach or want to speak to a member with a particular field of expertise then please call FREE on 0800 917 3526 to speak to a member of our team who can help put you in touch with an appropriate support member.

Calling from overseas?

If you are calling from overseas your call will be charged at normal call rates. Please note that the support members line is manned Monday – Friday 9.00 – 17.00 UK time. Outside those hours there is an option to call an ‘emergency’ number or to leave a message. Alternatively you can email us on Support.Members@icaew.com.
